

From the Principal

Dear Parents / Carers,

It's been a busy three weeks at Broome Primary School with our Mother's Day Big Breakfast, NAPLAN testing and Cross Country Trials in addition to all of the teaching, learning and assessment that is happening in our classrooms.

Thank you to our KidsMatter Team, Aboriginal Education Team and dedicated staff for making our special Mother's Day Big Breakfast such a success.

A big thank you also to the parent and community volunteers who came along to run activities and engage with our community. I'm sure you'd agree that it was a terrific morning and a very fitting whole school celebration.

NAPLAN testing for our Years 3 and 5 students went very smoothly. This is a testament to our staff and terrific students who demonstrated the **Persistence** and **Resilience You Can Do It** Keys throughout NAPLAN week. The **Persistence** and **Resilience** YCDI Keys were also on display when our Years 3 – 6 students participated in the annual Inter-school Cross Country Trials. It was great to see so many of our students participating. Success is not so much about where you place in the event, but rather having the courage to have a go, try your very best and show **Persistence** when the going gets tough.

This week at Broome Primary we are celebrating National Reconciliation Week. On Friday we are hosting a special assembly to mark the occasion. There will be performances from our School Band, the School Choir and a special performance by the Little Drifters. Wayne Barker, one of our parents and a member of the School Board will also be speaking about Reconciliation and what it means to him.

I encourage you all to come along on Friday morning for an 8.00am start. It promises to be a terrific assembly and celebration of Reconciliation.

Jared Lawson | Principal

Cross Country Trials

During week 3, students and staff were greeted with magnificent weather and an even greater house spirit during our awesome cross country trials!

It was fantastic to see over 100 students participate for their faction. Many thanks go to all the staff and community for showing up to support our competitors. We will be handing out the individual medals during Week 7's assembly.

Finally, good luck to our Interschool squad that will compete at Cable Beach on Friday, 1 June.

RECONCILIATION WEEK

National Reconciliation Week is celebrated across Australia each year between 27 May and 3 June. These dates mark the anniversary of the successful 1967 Referendum on 27 May 1967 and the High Court Mabo decision on 3 June 1992. These two events were milestones in the reconciliation journey.

Parents, guardians and family members are invited to the Broome Primary School Reconciliation Week assembly on **Friday 1 June at 8:00am**.

The theme for 2018 is "don't keep history a mystery". This year's assembly will be hosted by our Aboriginal Education Team and Student Leadership Team. There will be Reconciliation certificates presented as well as performances from the BPS band and the whole school!
